Old Business

New Business

1. It was suggested that IHBA invite members of the city council to our meetings, particularly when the program is about "Green" environmental alternatives in building.
2. A short discussion was held on the Dollars For Scholars program. Last year we provided 1-\$400 scholarship to Tyler Strub, and 1-\$100 scholarship to Corey Bracken. It was decided to wait until we have a treasurer's at our next meeting to decide what to do this year.
3. IHBA has been asked to assist with the Salem Ave Alley Project. This topic was tabled until a future meeting.

Program

Rick Shafer, Warren County Soil Conservationist, presented a program on Urban Conservation, which include many different soil saving techniques that can be incorporated into a building project.

Rasko Construction paid for refreshments. Next month's refreshments will be sponsored by Circle B.

The meeting was adjourned at 8:20 pm.

Respectfully submitted
